07 January 2022

Dear Music Teacher

Greetings from the Directorate Music!

Most of us probably thought that 2021 would be a year during which we would witness greater stability, but it has been a year during which we had to cope with new variants of the coronavirus and had to face new challenges. I wish to express my sincerest gratitude to you for persevering at this tumultuous time in the world and for the dedicated manner in which you have and continue to support your students. I also wish to acknowledge the dedicated work of the staff of the Directorate Music, who amidst trying circumstances, have gone to great lengths to ensure that our examinations take place.

During 2020 we were forced to cancel the May – June examination session, but we are grateful that we were able offer examinations during all three examination sessions last year. The online Practical examinations were taken by numerous students and the Unisa graded Music examinations were also introduced in Malawi last year. We were also able to proceed with our South African Music Scholarship Competition for which the competitors had to submit video recordings of their performances, the links of which were forwarded to all Unisa accredited music teachers, after the voting had taken place.

Fifteen Practical examination centres have been opened in the People's Republic of China, where the Unisa exams will be introduced this year. The Grade 6 Jazz Theory syllabus has also been revised and Grade 7 and 8 Jazz Theory syllabi have been created, with the first Grade 7 and 8 Jazz Theory exams being available from October 2022. Previously, Jazz Guitar examinations were available up to Grade 6 level and Performance Level Assessment were offered for levels 7 and 8. These graded examinations are now also available up to Grade 8 level.

As we start a new year, my wish for you is that this year may be one of prosperity and significant growth for you and your students.

Kind regards.

Sean Adams
Deputy Director: Professional (Acting)
Directorate Music

 - It is advisable to email your documents. Should you prefer to courier them, keep the tracking number to track the delivery of your documents.

5. The Protection of Personal Information Act 4 of 2013

- 5.1 To ensure compliance with the Protection of Personal Information Act 4 of 2013 (PoPI), which applies to the processing of personal information of third parties, personal information collected on the registration forms will be processed by the University solely for purposes pertaining to the registration, teaching and assessment of Unisa music examination students.
- 5.2 Written consent of the parent/guardian of children under the age of 18 must be obtained to enter minors for a Unisa music examination. The parent/guardian must consent to the processing of the personal data and information of these said minors for purposes pertaining to their registration as music examination students with Unisa.
- 5.3 Similarly, students over the age of 18 must consent to be entered for a Unisa music examination. They must also consent to the processing of their personal information for Unisa music examination registration purposes.
- 5.4 This written consent may be indicated either by signing the appropriate column on the front of the registration form or by attaching a completed, signed consent form (an example is provided on the registration form).
- 5.5 No student will be registered without signed consent.

6. Closing dates for entries: 2022

The closing dates for both the Practical and Theory of Music registrations are:

February session	8 December 2021 (Theory of Music only)
May-June session	11 March 2022 (Practical and Theory of Music)
August-October session	13 May 2022 (Practical and Theory of Music)

Entry forms, proof of payment and supporting documents must reach the University on or before the relevant closing date.

7. Late entries

Late entries will be accepted up to two weeks after the closing dates upon receipt of a late registration fee of R 250 per teacher entry form plus R 45 per entry. Thereafter no late entries will be accepted.

8. Registration

8.1 Only one registration form will be used for all examinations, and all entries must be included on the 2022 form.

Practical, Theory of Music, Ensemble and Choir entries must be included on the same entry form and may be mixed on the form, but must appear in strict alphabetical order. If a particular student is being entered for both Practical and Theory examinations, the entries must follow one another on the form.

- A fillable electronic entry form is available online at www.unisa.ac.za/music. By submitting this form, the entry form will be emailed directly to the Directorate Music. All supporting documents should then be emailed in a separate email to musicexamregistrations@unisa.ac.za.
- The completed form(s) may also be saved or scanned, and emailed to musicexamregistrations@unisa.ac.za, together with proof of payment and other supporting documents. Emailed documents should be saved in such a manner that the data that they are representing is clearly recognisable, e.g.: Teacher's surname and initials + type of document ('entryform', 'consentforms', 'birthcert', 'proof of payment', etc) for example potgietermentryforms.pdf or potgietermconsentforms.pdf.

After submission of the electronic entry form(s), a reply will be sent to your email address, confirming receipt of your documents. Please contact the Directorate Music if a reply is not received within 48 hours of submitting the documents.

Original entry form(s) or hard copies of the electronic forms with supporting documents may also be mailed (registered mail only) or couriered to the Directorate.

NB Entries received without the supplementary documentation will not be processed and will be discarded.

*** Examination entry form and the supporting documents may not be emailed to individual staff members.**

8.2 Only accredited teachers may register students for music examinations. (Refer to page 4 par. 4)

8.3 If payments are made for the examination entries and the entry form(s) and supporting documents are not received by the closing date for entries, the money will be refunded after a 10% handling fee has been deducted.

Steer clear of posting entry forms in the assignment boxes on any of the Unisa campuses.

9. Completion of examination entry forms and submission of documents

9.1 The examination entry form should be accompanied by the following:

- Proof of payment (one collective payment should be made)
- completed consent forms and
- certified copy of birth certificate/ID (in case of new students).

Incomplete entry forms will not be processed.

Copies of these documents must be kept for the teacher's own records.

Entry form + consent form(s) + proof of payment + certified copy of ID/birth certificate of new student(s) only = Registration material

- 9.2 Handwriting must be legible. Forms must be completed in full and the additional information for the students doing online practical examination must be supplied on the entry form.
- 9.3 Students must be entered alphabetically by surname.
- 9.4 The examination registration number of existing students must be indicated.
- 9.5 The date of birth of new students must be filled in and a certified copy of the birth certificate or identity document attached.
- 9.6 The order and spelling of names should be correct as indicated on the birth certificate and/or ID. This is how the student's name will appear on the certificate.
- 9.7 If a student is entered for two or more examinations, two or more entries should be made, and the student's examination registration number and name must appear in each row of the registration form, in line with the different subject codes.
- 9.8 Consult the *2022 Codes booklet* for the correct centre and subject codes.
- 9.9 Indicate the student's preferred language medium (English or Afrikaans). The Practical examinations report are printed in English, but the examinations will be conducted in the student's preferred language.
- 9.10 Students with disabilities must be clearly identified on the registration form in order for their special needs to be met. A medical certificate and report must be attached to support the recommendations.

- 9.11 In the case of partially-sighted students there must be an indication of whether sight-reading and other tests need to be available in large print or Braille.
- 9.12 Special requests regarding practical examination dates must accompany the registration form. Granting of special requests will be subject to the availability of the examiner and examination venue, therefore not all requests will be accommodated. Examination fees will not be reimbursed if special requests are not granted.
- 9.13 Where students are, for religious reasons, unable to take an examination on a Friday afternoon, Saturday or on Jewish holidays, it must be indicated clearly upon registration.
- 9.14 The consent column on the registration form must be signed by the parent/guardian/adult student, or the written consent must be attached to the registration form.
- 9.15 Amendments to entries may be made up to two weeks after the closing dates at a levy of R75.00 per amendment. (Amendments regarding personal particulars are not affected by this.)
- 9.16 Students who wish to enter for the Practical examinations from Grade 4 upwards must already have passed the required Theory of Music examination. If not, they must write the required Theory of Music examination prior to the practical examination, and will need to pass this examination by no later than the end of 2022 in order for their practical examination certificate to be released.
- 9.17 Practical music examinations will only be arranged at centres where a minimum of 6.5 hours of examining will take place. If suitable arrangements cannot be made at a particular centre, the students concerned will be informed well in advance. They will then be required to sit for their examinations at the closest approved centre. Please include a second examination venue option on the registration form.
- 9.18 Objection to the expense involved in travelling to and from an examination centre will not be accepted for the granting of a special centre.
- 9.19 Where a Practical centre with fewer than 6.5 hours of examining remains open, Unisa will not be liable for costs related to the tuning of the piano or venue hire. These are for the students' own account.
- 9.20 Jazz examinations and assessments will be offered at the following main centres only: Pretoria, Johannesburg, Bloemfontein, Parow, Port Elizabeth and Durban.
- 9.21 The Performer's Assessment examination is offered at all the existing Practical examination centres.
- 9.22 Organ, percussion and large ensembles/choirs must supply the complete physical address of the examination venue (name and address of the church, hall, etc.) on the registration form. Teachers/students are liable for the financial costs of additional examination venues for organ, choir and large ensemble examinations.
- 9.23 Entries from private schools must be clearly marked in order to facilitate the planning of the Practical examination dates.

10. Method of payment

The only methods of payment accepted are electronic transfers and bank deposits. Unisa does not accept any cash, card or cheque payments.

Entry fees must be deposited directly into Unisa's bank account. One collective payment must be made by each teacher.

Attach the proof of payment to the registration form. Do not mail, email or fax it separately.

Use the following as reference:

- for individual registrations: Teacher's Unisa registration number + first 6 digits of the student's identity number;
- for group registrations: Teacher's Unisa registration number only.

For group registrations, a list of names of those students whose examination entries are covered by the single transfer, must be attached to the proof of payment.

No registration will commence if the proof of payment is not provided. Proof of payment must accompany the registration form, and should not be submitted separately.

11. Acknowledgement of registration

- 11.1 Teachers will be notified in writing as soon as their registration has been processed by receiving a Confirmation of Registration letter with a list of particulars of students registered for the examination session.

These letters will be mailed to all teachers by 11 April 2022 (May-June session) and 11 July 2022 (August-Oct session). Confirmation letters for the February session (Theory only) will be emailed to all teachers before the examinations in February 2022.

- 11.2 Inform Unisa immediately if such confirmation has not been received.

12. Amendments

12.1 Registration amendments

Teachers are required to check their Confirmation of Registration letters and notify the Directorate Music of discrepancies or errors **by no later than 21 working days** prior to the examination. No changes will be allowed later than that.

Verify all examination registration information i.e. spelling of names, instruments and grades registered for and report all registration errors and corrections in writing immediately.

A fee is payable when registration information needs to be amended. Amendments to entries may be requested up to four weeks after the closing dates subject to a levy of R75 per amendment.

No amendments may be made to entries at the examination venue. If a student plays/writes a different graded examination from the one entered for, the written examination will be cancelled and the practical examination will be downgraded to an Evaluation.

12.2 Personal information amendments

Amendments to personal information (e.g. when a student changes to another teacher) must be reported in writing as soon as possible to ensure that the University records are updated. No fee is payable in this regard.

- Unisa reserves the right to approve or refuse a transfer application.
- Do not proceed with arrangements until you have received written notification from the University.

- Teachers are requested to ascertain well in advance whether or not the dates for the written examinations (page 10, par 13.1) clash with any educational activity or sport tours organised by schools. Students' centres/sessions must then be changed accordingly at registration or a transfer fee will be payable.
- The transfer fee of R310 includes all the papers per grade.
- If the question papers have already been despatched, the student is liable for the courier costs to the new centre.
- Unisa Theory of Music examinations are coordinated on an international basis. No request to write the Theory of Music examinations on any date or time other than those stipulated in the timetable will be considered and no correspondence in this regard will be entered into.

The fact that a student is not fully prepared for the examination will under no circumstances be accepted as a reason for transfer.
- Transfers will only be processed if sufficient examination time is available at the requested centre.
- Should a student requesting a transfer also change teachers, the full particulars of the “new” teacher must be indicated. These particulars include full names, identity number, address, e-mail and telephone number(s).

Section C Practical examinations

1. Examination dates and times

1.1 The practical examination dates appear on page 11.

Practical examinations are conducted on Mondays to Saturdays from 08:30 to 17:00. Examinations may be conducted on a public holiday (except for religious holidays) and during school holidays where necessary.

1.2 Timetable(s) for the practical examinations will be mailed to each teacher by the invigilator of the centre where the students have been registered.

1.3 Due to circumstances beyond the control of the University (such as the availability of examiners and venues), individual examination centres might not operate at the same time each year. Although examinations may have been held late at a particular centre one year, they could be held there quite early the following year.

2. Examination venues

2.1 The University appoints an invigilator as its representative at each centre to make all the local arrangements, which include finding a suitable venue for the examinations, arranging the tuning of the piano, sending out the timetables to teachers, etc.

All students must be examined at the venue arranged for this purpose.

2.2 Students entered for examinations from Pregrade 1 to Grade 7 are not entitled to practise on the piano prior to the actual examinations. Grade 8 students will be allowed to practise at the venue if logistically feasible. Arrangements in this regard should be made with the invigilator.

3. Examination procedures

3.1 Reporting time

All students must report to the invigilator at the examination centre 30 minutes prior to the allocated examination time and be ready to commence the examination 15 minutes prior to the allocated time.

3.2 Examination etiquette

3.2.1 Cell phones and tablets must be switched off and out of sight during the examination.

3.2.2 Teachers are kindly requested to educate their students regarding examination etiquette. The peaceful examination environment is sometimes disturbed by students, accompanists and teachers who want to make unnecessary conversation and this disrupts the flow of the examination.

3.2.3 Restrict the number of chaperones to two people to prevent crowding and noise in the waiting rooms.

3.2.4 Please refrain from engaging with the examiner during or after the examinations.

3.2.5 No one may stand and listen outside or near the examination room.

3.3 Accompaniment

3.3.1 All pieces requiring piano accompaniment must be performed accompanied.

3.3.2 If a recital is performed without the required piano accompaniment, the examination will be downgraded to an Evaluation.

3.3.3 Students must provide competent accompanists for their recital. Poor ensemble may result in the penalisation of the student.

3.3.4 Accompanists may be present in the examination room only while actually accompanying.

3.3.5 For accompaniment purposes, the use of the Booth harpsichord in the Dr Miriam Makeba Concert Hall will be restricted to Grade 8 students in Pretoria. The tuning costs will be for the student's own account.

3.4 Page turners

3.4.1 Up to and including Grade 7, neither the student nor the accompanist may make use of a page turner.

3.4.2 Grade 8 students and accompanists may make use of a page turner without prior permission of the University. This person may not be the student's teacher or the examiner.

3.5 Music stands and foot rests

Students must supply their own music stands, foot rests and other instrumental accessories in the examination room.

4. Examiners

4.1 Specialists

Only in the case of jazz examinations and assessments will the examiner be a specialist. In all other cases, the Practical examinations will be conducted by the examiner appointed to visit the centre.

4.2 Presence of another examiner

A second examiner may be present at a Practical examination for training or quality control purposes.

4.3 Use of tablets and laptops in examination room

Examiners will be using tablets and laptops in the examination room to refer to regulations and syllabi, and to make notes.

Please consult the website regularly for updates of the current syllabi to ensure that you have all the correct information. Each syllabus is dated for ease of reference. The syllabi are not printed or distributed by mail.

5.3 Incorrect repertoire

The following pieces will not be allocated a mark in the Practical examinations:

- pieces downloaded from the internet for which official verification from the website confirming the student's right to use the score is not presented to the examiner
- two pieces from the same list (one piece will not be awarded a mark).

5.4 Incorrect Grade

Teachers must ensure that their students are entered for the correct grade of the practical examination. If a student plays any grade other than the grade registered for, the examination will be downgraded to an Evaluation as students cannot get credit for examinations for which they have not been registered.

5.5 Mark allocation

Marks or symbols allocated by the examiners are final. No correspondence will be entered into regarding the outcome of an assessment or examination.

5.6 Repeats

Repeats [||: :||] need not be played, but *Da Capo al Fine* must be played.

All free internet downloads of music scores must be accompanied by official confirmation of the student's right to use the music score.
- 5.10.8 Where necessary, pages may be photocopied to facilitate page-turning.

2. Merit certificates to music teachers

Recognition is given to music teachers whose students did exceptionally well in either the practical or theoretical music examinations.

Each teacher who enters at least 10 practical or 10 theory of music students for Unisa music examinations in a particular year and where at least 10 students in each category (practical or theory - not a combination of both) obtain an average distinction mark, receives a certificate of merit.

This list of music teachers who received a certificate of merit for 2021 will also be published in the *Achievers 2021* publication.

Section F Unisa Music as subject for matric

1. Conditions

(With thanks to Dr PJ Krige, Department of Education, Free State Province - now retired)

The conditions for the accreditation of Unisa music examinations for the National Senior Certificate (NSC) are as follows:

- 1.1 Unisa Music may only be offered as an additional (eighth) subject.
- 1.2 Students must enrol in January of the Grade 12 year, together with the school's examination entries.
- 1.3 No assessment tasks are required.
- 1.4 Only Practical Grade 7 may be offered, not Grade 6 or Grade 8.
- 1.5 The Grade 7 examination must be played before June of the Grade 12 year.
- 1.6 The Theory of Music requirement remains the same: Unisa Grade 5.
- 1.7 The Theory of Music examination must be written between October of the Grade 11 year and July of the Grade 12 year.
- 1.8 The Practical and Theory of Music examinations each count half of the final mark.
- 1.9 The subject will appear on the National Senior Certificate, but the marks will not count together with the rest.
- 1.10 If a student fails one of the seven subjects, the above examination may not replace it.
- 1.11 Only one of the accredited music examinations may be offered, not different examinations for different instruments or from different examining bodies (e.g. not Unisa and ABRSM).
- 1.12 The practical and theoretical examinations must be of the same examining body. Unisa and ABRSM may not be mixed.
- 1.13 Students may still offer Unisa Music together with Music (of the NCS) as two separate subjects, provided that a different musical instrument is presented.

For more information refer to Government Gazette 34473/603 of 21 July 2011.

2. Registration

The subject must be registered through the school where the student is registered to complete the National Senior Certificate.
