General Information

1 Prescribed Repertoire

- 1.1 The prescribed repertoire lists for each grade appear in Annexure B of this publication.
- 1.2 Candidates are encouraged to perform a balanced programme which should be diverse in character and tempo.
- 1.3 Piano Examination Albums for Pregrade 1 to Grade 7 examinations are published by Unisa. These albums may be ordered directly from Unisa by using the official order form (also available on the website). These albums may also be purchased from various sheet music dealers. Under no circumstances will candidates be allowed to use photocopies of the official examination albums in the examination room, with the exception of one or two pages to facilitate page-turning.
- 1.4 The Piano Examination Albums include selected pieces from the syllabus. These pieces are marked with an asterisk(*) in the repertoire lists, Appendix B. Candidates may present any of the other prescribed pieces which do not appear in the albums, for examination. Copies of such pieces must be presented to the examiner during the examination.
- 1.5 Photocopying
 - Candidates must take cognisance of the fact that photocopying of music, without written permission from the publishers, is strictly prohibited by the Copyright Act (Act 98 of 1978, as amended).
 - Only original music may be used in the examination room. Examiners may refuse to conduct the examination if the original works are not present in the examination room. In such cases the examination will be downgraded to an Evaluation.
 - Pieces where no original music has been provided may be awarded no marks.
 - Candidates performing pieces not published in the Unisa examination albums must provide the examiner with copies of these pieces. These copies will be destroyed after the examination.
 - Music purchased from online publishers/the internet must clearly display the candidate's right to use the downloaded score (either in the form of a watermark with the candidate's name or by providing the examiner with a receipt of purchase for the music). Scores which are illegally downloaded from the internet will not be permitted.
 - Where necessary, pages may be photocopied to facilitate page-turning.
- 1.6 Examiners may listen to either an entire work or only part of it. Repeats [II: :II] need not be played unless requested by the examiner, indicated as compulsory in the sheet music or if the section is repeated in ornamented form. Da Capo sections should, however, be performed unless the examiner requests the candidate not to do so.
- 1.7 Candidates may use any edition of the prescribed works.
- 1.8 It is not essential to follow performance indications such as articulation, dynamics, phrasing, pedalling, metronome indications, etc., appearing in a specific edition unless they have obviously been inserted by the composer and not by the editor. When candidates use an edition with different editing, they should bring this to the examiner's attention.
- 1.9 Works by South African composers are marked with two asterisks (**) in the repertoire lists.
- 1.10 Only Grade 8 candidates may make use of a page turner. This person may not be the candidate's teacher or the examiner. No prior permission from the University is required.
