General Information

Grade Examinations, Performance Level Assessments (PLAs)

- Organ
- Harpsichord

1 Prescribed Repertoire

- 1.1 The prescribed repertoire lists for each instrument appear from page 10 in this publication.
- 1.2 Candidates must perform a balanced programme, which should be diverse in character and tempo.
- 1.3 Prescribed music for organ examinations should be purchased from the publishers, sheet music dealers or the internet. Only original printed music may be used in the examination room. Copies of all these works must be submitted to the examiner at the examination and will be destroyed afterwards.
- 1.4 The use of music that is in public domain and downloadable from the internet is permitted provided that no copyright restrictions are being violated. The source of this piece must be indicated on the sheet music.
- 1.5 Candidates must take cognisance of the fact that photocopying of music, without written permission from the publishers, is strictly prohibited by the Copyright Act (Act 98 of 1978, as amended). Examiners may refuse to conduct the examination if the original sheet music is not present in the examination room. In such cases the examination will be downgraded to an Evaluation.
- 1.6 Examiners may listen to either an entire work or only part of it. Repeats [II: :II] need not be played unless requested by the examiner, indicated as compulsory in the sheet music or if the section is repeated in ornamented form. Da Capo sections should, however, be performed unless the examiner requests the candidate not to do so.
- 1.7 Candidates may use any edition of the prescribed works.
- 1.8 It is not essential to follow performance indications such as articulation, dynamics, phrasing, metronome indications, etc. appearing in a specific edition unless they have obviously been inserted by the composer and not by the editor. When candidates use an edition with different editing, they should bring this to the examiner's attention.
- 1.9 Abbreviations of publications

CH	=	<i>Celebration Hymnal, Vol 1</i>
HA	=	<i>Hymns Ancient and Modern, New Standard (1983)</i>
LB	=	<i>Liedboek van die Kerk (2001)</i>
MH	=	<i>The Methodist Hymn Book</i>
NA	=	<i>New Apostolic Church Hymn Book</i>

2 Alternative and Own Choice Works

- 2.1 Candidates may request permission from the Directorate Music to present one alternative work.
- 2.2 Own choice works are applicable to the Performance Level Assessments only.
- 2.3 Applications to present an alternative or own choice work must:
 - be made on the official application form obtainable from the internet or Directorate Music;
 - include a copy of the alternative work concerned which copy will not be returned;
 - reach the Deputy Director (Professional), Directorate Music not later than the closing date for entries (preferably with the entry form).
- 2.4 Alternative and own choice works should match the length, level of virtuosity, musical standard and style period of the work to be replaced.
- 2.5 The University of South Africa reserves the right to refuse permission for works which do not meet any or all of the criteria.
- 2.6 Requests to present an alternative or own choice work received after the closing date for entries, will only be considered in highly exceptional cases.

3 Specific Requirements

- 3.1 **Instruments:** Organ examinations will only be conducted on a pipe organ with a minimum of two manuals and a pedal board with the minimum of thirty notes. In the case of pieces written for more than two manuals, where such an instrument is not available, the candidate will be allowed to adapt the music for a two-manual instrument.
- 3.2 **Page turners:** No page turners are allowed in the examination venue for up to and including Grade 7 examinations. Grade 8 candidates may make use of a page turner, but this person may not be the candidate's teacher. Examiners may not be asked to turn the pages.
- 3.3 **Registrants:** The use of registrants for organ candidates will be allowed from Grade 7 onwards, if the organ on which the examination will be conducted does not have the necessary accessories.
- 3.4 **Practise time (ZK Matthews Great Hall):** In order to allow candidates to familiarise themselves with the examination instrument, sufficient practise time will be made available by Unisa. This applies only to examinations scheduled to take place in Unisa's ZK Matthews Great Hall.
- 3.5 **Venue:** Organ candidates are responsible for booking the examination venue and must enter the name and complete street address of the church or venue on the enrolment form.

4 Technical Work

- 4.1 All technical work must be played:
- from memory
 - ascending and descending according to the specified range
 - legato and/or non legato as prescribed.
- 4.2 Any practical and systematic fingering which produces a good result will be accepted.
- 4.3 The following abbreviations will be used to distinguish between the hands:
 LH = left hand
 RH = right hand.
- 4.4 The compass of the prescribed scales is indicated with Roman numerals which are to be interpreted as follows:
 I one octave
 II two octaves
 III three octaves
 IV four octaves.
- 4.5 Memorisation is not required for pedal exercises and hymns.

5 Sight-reading

Candidates must play one sight-reading test. Sufficient time will be allowed to study the piece without playing it. In preparation to play the sight-reading test, candidates will be permitted to silently finger the notes without making a sound.

6 Practical Musicianship

- 6.1 The requirements for each grade appear in a separate publication, available from the Directorate Music, free of charge.
- 6.2 The practical musicianship requirements per grade are the same for all instruments.
- 6.3 The examiner will play all practical musicianship tests on the organ or a piano (if available at the venue concerned).
- 6.4 The candidate must play the visualisation test on the examination instrument.

7 Theory of Music Requirements

- 7.1 There are no theoretical requirements for Performance Level Assessments (PLAs).
- 7.2 The Theory of Music examinations required for the various practical grade examinations are as follows:

Grade Examinations	
Practical examination	Theory of Music requirement
Pregrade 1 to Grade 3	None
Grade 4	Grade 3
Grade 5	Grade 4
Grades 6, 7 & 8	Grade 5

- 7.3 If a Theory of Music examination is a requirement for a practical examination, and the candidate has not passed the required Theory of Music examination before the practical examination is played, the candidate must enter and pass the required Theory of Music examination by the third (October) session of 2019.
- 7.3.1 A candidate who passes a practical examination before the required Theory of Music examination will only receive the certificate once the relevant Theory of Music examination has been passed.
- 7.3.2 If a candidate passed the required Theory of Music examination at the same or an earlier examination session, the practical certificate will be issued without delay.
- 7.3.3 If a candidate only meets the Theory of Music requirement by the end of 2019, the Directorate Music must be contacted and requested to issue the practical certificate.
- 7.3.4 If a candidate does not meet the Theory of Music requirement by the end of 2019, the candidate must re-enter for the practical examination and play again.
- 7.4 Grade 8 practical candidates who do not yet meet the Theory of Music requirement must register for the practical and theory components in the same calendar year. (Theory of Music may be written earlier.) The Grade 5 Theory of Music paper must have been passed by the end of 2019.
- 7.5 Theory of Music Grades 6 and 7 examinations consist of two papers each. Candidates may enter for one or both papers (in any order) at any time and will retain credit for individual papers passed.
- 7.6 Candidates entering for the Grade 7 and 8 Theory of Music will have to pass both the examination papers in order for the Theory of Music qualification to be awarded. Grade 7 and 8 Theory of Music examinations are presented in the third (October) session of each year only.
- 7.7 Please do not contact Unisa to enquire about certificates if the candidate has not yet passed the required Theory of Music examination.

8 Exemptions

8.1 Grade 5 Theory of Music is the COMPULSORY Theory of Music examination for students entering for the Grade 8 Practical examination.

8.2 **International music qualifications**

Students in possession of international qualifications may apply for exemption from Grade 5 Theory of Music. These exemptions will be evaluated by the professional staff of the Directorate Music.
