

I need to enhance my employability

Which aspect(s) of your employability are you most concerned with?

What do you think employers want? (think in general terms, but also in your specific field of study)

Where can you get more information about what employers want?

Who do you need to speak to should you need more information about what employers want? What will you ask?

I need to enhance my employability

What are you able to contribute to an organisation?

What type of problems would you be able to address within an organisation?

How do you (or would you) introduce yourself to employers?

What is the one thing that you would want a potential employer to remember about you?

I need to enhance my employability

How are you looking for opportunities (jobs, entrepreneurial)?

How are you building and nurturing your connections with other professionals in your field?

How are you managing your online brand?

How are you keeping track of your skills and accomplishments?

I need to enhance my employability

How are you keeping track of developments in your field of study and building credibility in this field?
