

UNISA is a publicly funded institution in South Africa dedicated to distance education. In keeping with its mandate as a comprehensive, open and distance learning (ODEL) tertiary institution offering a variety of academic and career-focused programmes, the University is inviting applications for positions in the **COLLEGE OF ECONOMIC AND MANAGEMENT SCIENCES**.

To be considered for a position, an applicant must meet all the generic requirements, plus the specific requirements as stated per position. If found suitable for appointment, Unisa may offer an applicant a position at a level other than the level that was applied for. Furthermore, Unisa reserves the right to offer the applicant a contract appointment.

COLLEGE OF ECONOMIC AND MANAGEMENT SCIENCES
INSTITUTE FOR CORPORATE CITIZENSHIP
ASSOCIATE PROFESSOR (P5)
(Environment, Social and Governance or related discipline)
MUCKLENEUK (PRETORIA)

Applicants are required to indicate in detail on the prescribed application form and/or Curriculum Vitae the extent to which their qualifications and experience meet the requirements of the post as set out below.

The purpose of the job is to:

- Initiate, stimulate, and participate in research projects within the broad Environment, Social and Governance (ESG) fields
- Deliver accredited research outputs
- Supervise Masters and Doctoral students
- Be involved in community engagement and academic citizenship initiatives; and
- Contribute to achieving the strategic and operational objectives of Unisa, CEMS, and the Institute for Corporate Citizenship through the above-mentioned endeavours.

Associate Professor (x1) (Ref: CEMS/MME/ICC/AP2/03-2025)

Post specific requirements

- An appropriate Doctoral degree at NQF level 10 (**research-based Doctoral degree or equivalent in Environment, Social and Governance or related discipline**)
- Proven track record of conducting research, including published papers in accredited journals
- At least 4 (four) years of relevant research/work experience with a strong focus in Environment, Social and Governance fields.
- Must have produced 4 output points in 3 years OR 6 output points in 5 years as recognised in the DHET Research Output Policy, 2015 (Government Gazette 38552 of 11 March 2015) and/or the Policy on the Evaluation of Creative Outputs and Innovations Produced by South African Public Higher Education Institutions, 2017 (Government Gazette 40819 of 28 April 2017)
- Successful supervision of postgraduate (M&D) candidates to completion (academic applicants)
- Successful supervision of postgraduate (M&D) candidates to completion will be an advantage (non-academic applicants)
- Demonstrable expertise in the fields of sustainability and corporate citizenship
- Demonstrate potential to participate in engaged scholarship (non-academic applicants)
- Involvement in engaged scholarship, with evidence of how this has been transferred into teaching and learning and/or research (academic applicants)
- Evidence of participation in workplace committees or task teams and voluntary associations (non-academic applicants)
- Evidence of contribution and leadership in Departmental, School, College and University committees including task teams and voluntary associations (academic applicants)
- Experience in securing funding and managing research projects.

Knowledge, skills, and competencies:

- Proven academic track record
- Ability to conduct data collection using various methods
- Knowledge of higher education institutions and their operations
- Excellent oral and written communication, interpersonal, and collaborative skills
- Advanced research project management skills, including financial planning, organizing, coordination, and control
- Ability to deal with differences of opinion and contradictions
- Analytical thinking that could be applied in identifying research problems in the discipline
- Ability to solve problems
- Ability to think in abstract terms and to think logically
- Ability to conceptualize at a high level of abstraction.

Recommendations:

- Experience with research in a CODEL environment
- NRF rating or willingness to apply for rating
- Experience with reflexive/ODL research
- Evidence of research grants obtained or applied for
- Foster interdisciplinary research through partnerships with other departments, research institutes, etc.
- Participation in departmental, school, college, and University committees including workplace committees or task teams and voluntary associations
- Establish a focused agenda that addresses critical issues relating to the environment, social and governance issues, and corporate citizenship, including short and long-term goals, identifying key areas for innovation in the field.

Duties

Research duties:

- Conduct independent academic research falling broadly into the field of corporate citizenship
- Design research proposals
- Promote a high-quality and ethical research environment
- Contribute towards effective research networks
- Keep abreast of national and international trends in their discipline/field of expertise
- Produce accredited research outputs as prescribed by the Research and Innovation Policy of Unisa
- Participate or serve as leader of a project team (as and when required) to conduct research (including the effective management of all available/allocated resources – where applicable).

Engagement Scholarship and Academic Citizenship duties:

- Participate in and assist with the arrangement and organisation of conferences, research colloquia, workshops, and seminars to enhance research and discipline knowledge
- Present papers at local and international conferences
- Participate in ventures to obtain partnerships with other tertiary institutions, community organizations, and other relevant organizations/groups
- Participate in community development and capacity building where the skills and knowledge of individuals are developed to address the specific needs of communities, resulting in capacity building
- Actively pursue involvement in professional, national, and international associations/boards that are related to his/her discipline and expertise
- Actively contribute towards decision-making in the department, college, and the university
- Lead/chair/coordinate research/departmental committees, task and administrative teams as and when required.

The candidate must prepare a research statement of not more than 2000 words. Where applicable, the statement must deal with:

- The candidate's involvement in and approach to academic research, his/her research goals as well as a detailed description of his/her research profile.
- The candidate's involvement in developing new research methodologies and analytical methods.
- The candidate's involvement in/approach to successful supervision of postgraduate students.
