Unlock Your Potential with  
Unisa's College of Economic and Management Sciences

In today's competitive world, a quality education is the key to unlocking opportunities and achieving success. At the College of Economic and Management Sciences (CEMS) at the University of South Africa (Unisa), we provide top-notch business education that equips our students with the skills and knowledge they need to excel in the world of work.

### **A Legacy of Excellence**

CEMS is the largest provider of business education in Africa and one of the largest in the world. Each year, we welcome over 70,000 students to our formal qualifications and 30,000 to our short learning programmes.

### **Relevance and Impact**

We understand the importance of staying relevant in today's dynamic job market. That's why we conduct intensive research in both the private and public sectors to ensure that our degrees and courses meet the evolving needs of employers.

### **Recognized and Respected**

Employers recognize the quality of CEMS qualifications, with 86% of them hiring our graduates specifically for their expertise. Eighty per cent of employers affirm that our qualifications are of good quality and credible, praising the skills and qualities cultivated through our flexible online learning environment.

### **Flexible Learning, Unmatched Support**

Distance should never be a barrier to education. With Unisa's flexible online learning platform, students can study wherever they are, whenever they want. Our virtual campus, myUnisa, provides access to course materials, online discussion forums, and expert e-tutors, ensuring that students receive the support they need to succeed.

Applications for a limited number of master's and doctoral qualifications are still open for admission. Visit [www.unisa.ac.za](http://www.unisa.ac.za) for more information.

### **Leading Research for African Solutions**

CEMS is committed to identifying African solutions to global challenges. Through focused research in strategic niche areas, we aim to become a leading producer of research on the African continent.

### **Community Partnerships**

We believe in the power of partnerships to drive positive change. By collaborating with local communities, businesses, and organizations, we can address universal problems and enrich our educational offerings. Together, we can build a brighter future for all.

### **Your Path to Success Starts Here**

Whether you're pursuing formal qualifications or short learning programmes, Unisa's College of Economic and Management Sciences is your partner in success. With our world-class education, flexible learning options, and unwavering support, you can unlock your full potential and achieve your goals.
