saliwp@unisa.ac.za

UNISA

Table of Contents

Introduction.....	3
Funding and Scholarships.....	4 – 33

Introduction:

Welcome to this month's Research Funding Bulletin for CEMS:

OGSR believes that funding is the central vein that drives productivity, influence the volume of workload and research activities. Hence the recent request for the university's subscription to Research Professional Database, in which criteria can be set for more discipline/ subject specific funding, from all over the world.

Research Africa Professional Database offers UNISA and its scholars the following:

- The latest research funding.
- Student exchange opportunities.

Many of the funding calls will require data management, equality, and impact statements. Our team of NRF rated experts are ready to guide you through the process prior to submission.

Support to access Research Funding Database is available through the office of

- Ms Pumeza Saliwe saliwp@unisa.ac.za
- Telephone number: 012 429 4076

Looking forward to your applications!

Summer Research Internships

Email Actions

Resources for the Future (RFF), US

The RFF summer internship program provides an opportunity for students to prepare for careers that engage in rigorous, policy-relevant research. Interns are essential members of RFF's Research and Policy Engagement team; they are responsible for providing technical support that, under the direction of RFF Fellows, allows for the production of compelling and impactful research that aligns with RFF's mission of improving environmental, energy and natural resource decisions through impartial economic research and policy engagement.

Afrika kommt fellowships

Email Actions ▼

Robert Bosch Stiftung GmbH (RBSG) and other funders

At the core of the AFRIKA KOMMT! programme is a one-year stay for the African professionals in Germany. During this time, the fellows actively work in their partner companies where they are trained and mentored. Other components organized by GIZ such as language courses, trainings and networking events supplement the learning experience.

- **Professional and tailor-made selection process:** The fellows of the programme are chosen in a comprehensive selection process that is implemented in close cooperation with the participating companies.
- **Language and cultural integration for fellows:** The programme begins with German language and cultural integration courses to prepare the fellows for their stay in Germany. The fellows also get an opportunity to visit cultural heritage sites within Germany.
- **Management training for fellows:** The fellows undergo three modules of intense management training where they advance their knowledge of modern global management practices.
- **Professional fellowship in partner company:** The young experts spend eight months with their partner companies and are engaged in projects and meaningful work experience.
- **AFRIKA KOMMT! Network:** The partner companies and the African professionals come together at various networking events, share expertise and drive common projects.
- **Alumni phase:** After their one-year stay in Germany, the fellows become knowledge and skill transfer ambassadors as alumni in their home countries. A one-week refresher course in Germany or in Africa advances the skill set of the alumni and fosters continued strengthening of the AFRIKA KOMMT! network.

Visiting PhD fellowship

Bookmark

Email

Actions

World Institute for Development Economics Research (UNU-WIDER), INT

The World Institute for Development Economics Research of the United Nations University invites applications for its visiting PhD fellowship. These offer registered doctoral students an opportunity to utilise the resources and facilities at UNU-WIDER for their PhD dissertation or thesis research, and to work with researchers in areas related to developing economies. Fellowships typically last three months and take place in UNU-WIDER's facilities in Helsinki, Finland. PhD fellows prepare one or more research papers and present a seminar on their research findings.

Closing date 31 March 2024

Deadline Information UNU-WIDER only receives online applications for the Visiting PhD Fellowship Programme twice each year. Deadlines for submission of applications are 31 March and 30 September each year.

Please note that the link to the online application form will only become active one month prior to the submission deadline (e.g., application procedures start on 1 March and 1 September of each year).

Recurrence This call is repeated 2 times a year.

Date added 30 September 2023

Award type Dissertation-Thesis Funding; Fellowships or Post-doctoral Awards

Award amount max ---

Award amount min ---

Amount note UNU-WIDER provides a travel grant to cover the costs of travel to and from the location of your PhD granting institution or country of residence, medical insurance (for medical and hospital services resulting from sickness and accident during your stay at UNU-WIDER), and a monthly stipend of €2,000 to cover living expenses in Helsinki during the period of their fellowship. The programme does not provide services or cover expenses related to dependents.

Visiting PhD fellows typically spend three consecutive months at UNU-WIDER before returning to their home institution. [show less](#)

Eligibility Profile (Funding)

Country of applicant institution Unrestricted

Nationality of researcher Unrestricted

Applicant type ---

Career stages Graduate Student or Pre-doc

Eligibility Note Applicants must be enrolled in a PhD programme and have shown ability to conduct research on developing economies. Candidates working in other social sciences may apply but should keep in mind that UNU-WIDER is an economics-focused institute.

SHOT-NSF Travel Grants

[Bookmark](#) [Email](#) Actions 

Society for the History of Technology (SHOT) and other funders

The **Society for the History of Technology** is dedicated to the historical study of technology and its relations with politics, economics, labor, business, the environment, public policy, science, and the arts. Founded in 1958, the society now numbers around 1500 members. An international society, SHOT meets annually, in and outside North America, Europe, or Virtual, and also sponsors smaller conferences focused on specialized topics, often jointly with other scholarly societies and organizations.

The NSF Travel Grant is sponsored by the National Science Foundation.

Closing date 31 March 2024

Deadline Information ---

Recurrence This call is repeated once a year.

Date added 22 February 2024

Award type Conferences, Events or Seminars; Travel

Award amount max USD 1,000

Award amount min ---

Amount note SHOT-NSF travel grants cover only (part) of cost of transportation to and from the conference and the cost of meeting registration. Travel grants do not cover the costs of transportation during the meeting, food, or lodging. Travel grants will be disbursed after the meeting in the form of reimbursements. Grant recipients will be responsible for filling out reimbursement forms and providing receipts for all claimed expenses – further details will come in award letters. Maximum awards: \$750 for domestic travel and \$1000 for international travel. [show less](#)

Eligibility Profile (Funding)

Country of applicant institution Unrestricted

Nationality of researcher Unrestricted

Applicant type ---

Career stages Early Career and Emerging in Field; Graduate Student or Pre-doc; Mid-Career to Established in Field

Eligibility Note Eligibility for SHOT-NSF grants is only for members who are participating in the meeting in some way (i.e., as a presenter, chair, Society governance, etc.) and who fit one of the following three categories:

NZIER research poster competition

Bookmark Email Actions

New Zealand Association of Economists, NZ

The New Zealand Association of Economists, in collaboration with the New Zealand Institute of Economic Research, invites submissions for its poster competition. This recognises poster presentations in the field of economics given at the association's conference. The 63rd New Zealand Association of Economists Annual Conference will be held at Auckland University of Technology on 28 June – 30 June 2023. Prizes are awarded in two categories:

- post-graduate student category: students must be currently studying post-graduate economics or have completed within the preceding 18 months of the conference. The poster content must relate to a component of original research completed while a student. There is no residency requirement and students from all countries are welcome to enter.
- open category: for anyone who does not meet the student criteria.

Presentation of a poster can be either a 'work-in-progress' or a piece of completed work where the presenter prefers not to make an oral presentation.

Collaborative excellence

[Bookmark](#) [Email](#) Actions 

Leibniz-Gemeinschaft (Wissenschaftsgemeinschaft Gottfried Wilhelm Leibniz e.V.), DE

Leibniz-Gemeinschaft invites applications for its collaborative excellence funding programme. This supports projects that are particularly innovative, and which require collaborative networking within and outside of the Leibniz Association in order to succeed.

Closing date 30 March 2024

Deadline Information ---

Recurrence This call is repeated once a year.

Date added 04 July 2023

Award type Collaboration Opportunities & Networking; Research: Project Grants & Innovation

Award amount max €1,000,000

Award amount min ---

Amount note Grants are worth up to €1 million for up to three years.

Eligibility Profile (Funding)

Country of applicant institution Unrestricted

Nationality of researcher Unspecified

Applicant type ---

Career stages Early Career and Emerging in Field; Graduate Student or Pre-doc; Mid-Career to Established in Field

Eligibility Note

A collaborative project must involve at least one university or non-university partner in addition to the Leibniz institute submitting the application. For projects whose innovative character derives essentially from the form of collaboration and networking itself, there is a requirement for a substantial financial contribution from at least two Leibniz institutes. Study fund for South African students

[Bookmark](#) [Email](#) Actions 

Study Foundation for South African Students (SFF), NL

The South Africa House, through the Foundation Study Fund for South African Students (SSF), invites applications for its scholarships for South African students. These enable South African students to participate in research and study activities in the Netherlands. Two types of scholarships are available:

- scholarships for students who wish to do part of their studies at a Dutch university, with the goal of obtaining a master's or PhD degree in South Africa, with a duration of up to six months and with funding being worth up to €1,200 per month for master's students and up to €1,300 per month for PhD students, with an additional €1,000 being available towards travel costs;
- travel allowances for short visits to the Netherlands to do research, attend academic courses, summer schools, conferences or master classes, worth €1,300 per visit.

Applicants must be South African nationals registered as students at a South African university.

Advanced Research Opportunities Program (AROP)

[Bookmark](#) [Email](#) Actions ▼

RWTH Aachen University, DE

RWTH Aachen University offers travel grants and scholarships to support the research stays of doctoral candidates and postdocs from strategically relevant international universities or research institutions. Funding is provided by the Excellence Strategy of the German federal and state governments.

The goal of the program is to strengthen and intensify bilateral relations between RWTH Aachen University and international universities and research institutions of strategic relevance. Among other purposes, the research stays may be used to prepare joint research projects and publications, initiate joint projects in the field of capacity building, develop teaching projects at the partner university, and organize future visits and student exchange programs. AROP offers travel grants and scholarships, as well as the opportunity to participate in German-language courses and intercultural trainings at RWTH.
