 saliwp@unisa.ac.za

Table of Contents

Introduction.....	3
Funding and Scholarships.....	4 – 22

Introduction:

Welcome to this month's Research Funding Bulletin for CEMS:

OGSR believes that funding is the central vein that drives productivity, influence the volume of workload and research activities. Hence the recent request for the university's subscription to Research Professional Database, in which criteria can be set for more discipline/ subject specific funding, from all over the world.

Research Africa Professional Database offers UNISA and its scholars the following:

- The latest research funding.
- Student exchange opportunities.

Many of the funding calls will require data management, equality, and impact statements. Our team of NRF rated experts are ready to guide you through the process prior to submission.

Support to access Research Funding Database is available through the office of

- Ms Pumeza Saliwe saliwp@unisa.ac.za
- Telephone number: 012 429 4076

Looking forward to your applications!

Internships

World Intellectual Property Organization, INT

The WIPO Internship Program supports WIPO's mission to promote innovation and creativity for the economic, social and cultural development of all countries through a balanced and effective international intellectual property system, enabling interns to learn about the core values and initiatives of WIPO.

The Program provides an opportunity for interns to complement their educational experience and to develop their professional skills and experience through participation in work in an international context. WIPO also benefits from the contributions of interns, who bring fresh perspectives and knowledge of the latest research in their specialist fields.

WIPO offers internships in the following fields:

- Law/IP Law
- Economics/Statistics
- Information Technology
- Technical Cooperation Services
- Project Administration
- Administration (Finance, Human Resources, Procurement, Program Planning)
- Patent/Trademark examination
- Copyright
- Translation
- Other areas (Communications, Conference Services, Security, ...)

Closing date 01 July 2024

Closing date note Application Deadline

: 01-Jul-2024, 10:59:00 PM

Deadline Information ---

Recurrence This call is repeated 2 times a year.

Date added 22 May 2024

Award type Scholarships, Training or Bursaries

Award amount max CHF 27,540

Award amount min CHF 4,935

Amount note The length of Category I internships shall be between 3 to 6 months. Interns in Category I shall receive a monthly stipend of CHF 1,645 including local transportation allowance.

The length of Category II internships shall be between 3 and 12 months. This category of interns shall receive a monthly stipend of CHF 2,170 including local transportation allowance.

Interns must meet all expenses for travel and subsistence and are responsible for arranging travel, visas and/or accommodation. Interns who are nationals of developing, least developed or transition countries and who are residing in their home country at the time of recruitment may be eligible for reimbursement of travel expenses (round trip) up to a maximum of 1,500 Swiss francs. [show less](#)

Eligibility Profile (Funding)

Country of applicant institution Unrestricted

Nationality of researcher Unrestricted

Applicant type Academic Institution

Career stages Early Career and Emerging in Field; Graduate Student or Pre-doc

Eligibility Note Eligibility criteria include:

- Category I:
 - Individuals pursuing a first-level university degree who are in their third or fourth year of study and/or need to complete an internship as part of their degree requirements; or
 - Individuals who have obtained their first-level university degree less than two years from the date of the internship application; or
 - Individuals pursuing an advanced university degree who have neither completed the coursework nor the final thesis.
- Category II:
 - Individuals pursuing their advanced university degree who have completed their coursework but not the final thesis; or
 - Individuals who have obtained their most recent advanced university degree less than two years from the date of the internship application.
 - Individuals who obtained an advanced university degree more than two years ago, and are currently enrolled in subsequent post-graduate studies.

Applicants must have:

- proficient computer skills (Word, Excel, PowerPoint, and other relevant IT programs/applications).
- good analytical skills.
- excellent knowledge of English.

For most internships, excellent drafting skills in English are required. Knowledge of any of the following WIPO working languages would be an advantage: Arabic, Chinese, French, German, Japanese, Korean, Portuguese, Russian and Spanish.

Qualified candidates from unrepresented member states of WIPO and underrepresented geographical regions are encouraged to apply. [show less](#)

Lesbian, Gay, Bisexual, and Transgender Studies (LGBTs), US

We are thrilled to announce that the Lesbian, Gay, Bisexual, and Transgender (LGBT) Studies Fellowship at Yale University is currently accepting applications for 2024-25!

The Lesbian, Gay, Bisexual, and Transgender Studies Fellowship at Yale University is offered annually, and is designed to provide access to Yale resources in LGBT Studies for scholars who live outside the greater New Haven area.

This fellowship supports scholars from any field pursuing research in lesbian, gay, bisexual, transgender, and/or queer studies at Yale University, utilizing the vast faculty resources, manuscript archives, and library collections available at Yale.

Closing date 26 June 2024

Deadline Information Recommendation letters are also due at the time of application.

Recurrence This call is repeated once a year.

Date added 03 April 2024

Award type Fellowships or Post-doctoral Awards; Research: Project Grants & Innovation

Award amount max ---

Award amount min USD 4,000

Amount note The fellowship provides an award of \$4,000, which is intended to pay for travel to and from New Haven and act as a living allowance. [show less](#)

Eligibility Profile (Funding)

Country of applicant institution Unrestricted

Nationality of researcher Unrestricted

Applicant type ---

Career stages Early Career and Emerging in Field; Graduate Student or Pre-doc; Mid-Career to Established in Field

Eligibility Note Scholars from across the country and around the world are invited to apply for the Yale LGBT Studies Research Fellowship. Graduate students conducting dissertation research, independent scholars, and all faculty are invited to apply. *Scholars residing within 100 miles of New Haven are ineligible.* [show less](#)

Africa Program Capacity Building Internship Program

Bookmark Email Actions

Africa Program, US

The Africa Program Capacity Building Internship Program targets the development and professional skills of emerging Africanists. It does so by bringing a diverse group of qualified students with an interest in, coursework related to, or experience working on Africa-related issues and policy to support the mission and work of the Africa Program while exposing them to practical experience and professional development opportunities in an environment that mixes public policy and research.

Duties will include but are not limited to:

- Administrative and Logistical Support
- Research and Writing Support
- Social Media and Communications Support
- Written Intern Deliverables

Closing date 30 June 2024 (Forecast)

Closing date note Fall internship

Deadline Information ---

Recurrence This call is repeated 3 times a year.

Date added 29 February 2024

Award type Scholarships, Training or Bursaries

Award amount max ---

Award amount min ---

Amount note This 12-week **paid** internship is generously funded by Mr. Earl W. Stafford and is funded at 20 hours per week. [show less](#)

Eligibility Profile (Funding)

Country of applicant institution Unrestricted

Nationality of researcher Unrestricted

Applicant type ---

Career stages Graduate Student or Pre-doc; Undergraduate Student

Eligibility Note Successful candidates should have:

- An academic background in Africa and Africa-related issues. Other experience related to Africa would be a plus.
- Strong administrative, organizational, and research skills.
- Excellent writing skills. Copyediting and proofreading experience is a plus.
- Teamwork, attention to detail, initiative, good problem-solving skills, and an enthusiastic and responsible approach to unsupervised work.

Closing Date

30 June 2024 (Forecast)

- Ability to multi-task and adapt to changing tasks and schedules is desirable.
- Software skills including Adobe Creative Suite (particularly Adobe InDesign and Lightroom), WordPress, Drupal, Google Analytics, Microsoft Outlook, Excel, Word, PowerPoint, and social media platforms like Facebook and Twitter are desirable.
- Media production skills, including photography; photo, video, and audio editing; or graphic or page design are a plus.
- Students who are currently enrolled in B.A. and M.A. programs are eligible to apply. However, preference will be given to students enrolled in B.A. programs.

Availability: Interns must be available to work a total of **20 hours per week**. Interns must be available to be in the office **at least three days per week**, and this should include **at least 4 hours on Tuesday mornings**. Preference will be given to interns who are able to work within the Wilson Center operating hours of **9:00am and 5:30pm, Monday through Thursday**. Applicants who are unable to work within the Wilson Center's operational hours will not be considered.

Please Note: International students studying in the U.S. are eligible, but they must hold a valid F-1 or J-1 visa and appropriate work authorization. All international students must obtain written permission from their Designated School Official or Responsible Officer for visas at their university stating that they are in valid immigration status and eligible to do an internship at the Center.

The Center is **NOT** able to sponsor visas for interns. If you are an international student not already studying in the U.S. on an F-1 or J-1 visa, then you have to go through a university exchange program or an outside organization (internship placement agency) that will sponsor your visa. You **MUST** have the appropriate visa to apply for this internship. The Wilson Center is an equal opportunity employer and follows equal opportunity employment guidelines in the selection of its interns.

Emerging Scholars Award

Bookmark Email Actions

Nineteenth Century Studies Association (NCSA), US

The Nineteenth Century Studies Association is pleased to announce the Emerging Scholars Award. The work of emerging scholars represents the promise and long-term future of interdisciplinary scholarship in nineteenth century studies. In recognition of the excellent publications of this constituency of emerging scholars, this award recognizes an outstanding article or essay published during the author's doctoral studies or within the six years following conferral of a doctorate.

Entries can be from any discipline and may focus on any aspect of the long nineteenth century (the French Revolution to World War I), must be published in English or be accompanied by an English translation, and must be by a single author. Submission of essays that are interdisciplinary is especially encouraged.

Entries can be from any discipline, must be published in English or be accompanied by an English translation, and submission of essays that are interdisciplinary is especially encouraged. **Articles that appeared in print in a journal or edited collection last year or between January 1 and June 30 of this year are eligible for the Emerging Scholars Award, which will be presented at the upcoming NCSA Conference in New Orleans.**

Closing date 01 July 2024

Deadline Information ---

Recurrence This call is repeated once a year.

Date added 12 April 2024

Award type Conferences, Events or Seminars; Prizes and Awards

Award amount max ---

Award amount min USD 500

Amount note The winner will receive \$500 to be presented at the annual NCSA Conference. NCSA encourages winners to attend the annual conference and will waive the conference registration fee. (Winners have to become NCSA members, but will be provided with a coupon during the conference registration period.) [show less](#)

Teach at Tübingen

Bookmark

Email

Actions

University of Tübingen, DE

The University of Tübingen invites applications for its call to teach at the University of Tübingen. This enables young international academics to become familiar with research and teaching at a German university, and thereby to expand the amount of courses given in foreign languages at the university and build professional ties.

PhD candidates in an advanced stage of their doctoral studies, and postdocs who have earned their PhD in the last four years, preferably from strategically significant partner universities, may apply. Applicants must have academic ties with the professor with whom the candidate is placed.

Scholarships are tenable for one to two semesters and must last for at least six months. PhD candidates will receive €1,468 per month in addition to a remuneration of €25 per hour for teaching. Postdocs will receive €1,853 per month in addition to a remuneration of €50 per hour for teaching. Successful candidates receive €1,000 as travel expenses for travelling to the university.

Postdoctoral fellowships

[Bookmark](#) [Email](#) Actions 

Forrest Research Foundation, AU

These fellowships are provided to attract and assist outstanding early-career post-doctoral researchers to undertake high quality research at a Western Australian University.

The program is designed to accelerate opportunity for outstanding researchers by providing:

- Personalised development plans, mentoring and support.
- Unrivalled access to academic and entrepreneurial leaders, generous funding and career opportunity partnerships.
- A stimulating intellectual environment in Forrest Hall, a place to live, learn and share with a global community of multi-disciplinary researchers.

Forrest Fellowships are offered to early-stage post-doctoral researchers who have outstanding academic profiles and who have already made significant personal research contributions within and beyond their discipline.
