UNISA experts available for commentary on the 2024 State of the Nation Address (SoNA)

The President of the Republic of South Africa, His Excellency Cyril Ramaphosa will deliver the 2024 State of the Nation Address (SoNA) on Thursday, 08 February 2024 at 19:00.

Significantly, this will be the last State of the Nation Address of the 6th administration since the advent of democracy and national elections in 1994. The address is also coming a few months before the 2024 National and Provincial elections, which has generated significant interest from the public and pundits alike.

As per standing practice, the University of South (Unisa) will avail several of its academics and expert commentators to provide thought leadership and expert opinion on a variety of topics related to the SoNA as well as the political and socio-economic landscape in general.

The following are the academics and experts who are available from Unisa.
