PUBLIC ANNOUNCEMENT – UNISA OPEN DAY

The University of South Africa (Unisa) will be hosting an open day in Giyani on Saturday, 23 February 2019. The purpose of the event is to strengthen Unisa's relationship with registered students, while also creating a recruitment platform that will enable prospective students to make informed decisions about their studies at the university.

Unisa staff from different colleges and departments will be on site to interact and engage with students concerning the range of support services available at the university, including funding initiatives.

'Our open days provide opportunities for the administrators, professionals and lecturers to interact with students to handle and resolve academic-related queries, while also exposing the institution to prospective students,' said Professor Mandla Makhanya, Unisa Principal and Vice-Chancellor.

The Giyani open day will take place as follows:

Date : 23 February 2019

Time : 09:00
