15-17 August 2023

Emperors Place, Kempton Park, South Africa

1000-word extended abstracts are invited from both established and emergent academics, researchers and scholars for the Unisa Research and Innovation 2023 Open Distance and eLearning hybrid conference (in person and broadcast), which will be held from 15-17 August 2023 (pre-conference workshops 14 August). The aim of the conference is to encourage discourse about research in open distance and elearning (ODeL) in a globally connected digital era.

I. Conference Theme

ODeL in the Global South: *Opportunities in times of volatility, uncertainty, complexity, and ambiguity (VUCA)*

II. Sub-themes

Specific sub-themes delegates might want to consider include, but are not limited to, the following:

- 4IR - Artificial Intelligence, robotics, internet of things, block chain technology and smart software
- Addressing the digital divide
- Education and the Metaverse
- The datafication of teaching, learning and student support
- Platformisation and commercialisation
- Micro-credentialing
- New learning technologies and their impact on pedagogies
- Increasing access to educational opportunities and
- Opening educational practice and publishing
- ODeL postgraduate supervision
- Academic integrity in a ODeL context
- Student support in an ODeL environment
- Human resource management in ODeL
- Support for staff wellness in ODeL

III. Conference Structure

- Pre-conference workshops (14 August) – proposals invited
- Plenary sessions with keynote addresses by invited speakers
- Panel discussions where invited experts will debate topical and pertinent ODeL research issues
- Scheduled breakaway sessions of full paper presentations; work-in-progress and shorter papers will also be considered
- An ODeL Postgraduate Student Consortium
- Icebreaker and networking session – 15 August 2023
- Conference dinner – 16 August 2023

IV. Important Dates

Call announcement	5 February 2023
Second call for papers	13 March 2023
Final call for papers (reminder)	02 May 2023
Deadline for workshop proposal titles	10 May 2023
Conference registration opens	16 May 2023
Notification of workshop proposal acceptance	19 May 2023
Deadline for extended 1000-word paper extract	2 June 2023
Deadline paper submission for ODeL Postgraduate Student Consortium	2 June 2023
Notification of paper acceptance for ODeL Postgraduate Student Consortium	21 June 2023
Notification of paper acceptance and feedback	28 June 2023
Submission of paper for presentation	04 August 2023
Pre-conference workshops	14 August 2023

Conference	15-17 August 2023
Final chapter submissions from authors wishing to have their chapters considered for publication in the ODeL 2023 book	15 September 2023

V. Ethical and Scholarly Etiquette

- The Research and Innovation Conference is organised as a scholarly event.
- The papers submitted for presentation will be reviewed through the ScienceOpen platform.
- Authors of selected quality papers will be invited to submit their papers for a book. More details regarding the format and submission process will be communicated in 2023.
