

STUDENT EXAM GUIDES

STUDENT EXAM GUIDE 01:

HOW TO NAVIGATE THE MYEXAMS PORTAL AND ACCESS YOUR MODULES EXAM?

In this section, we will cover what the myExams portal is and how to access your college's exam portal.

Examinations are conducted on college-specific exam portals and are accessed from the myExams portal and not the myModules portal. For this reason, you should know how to access the myExams portal and how to navigate from the myExams portal to your exam on your college's exam portal.

The below diagram provides an overview of the steps to follow to access your modules assessment:

Note:

The myExams portal list the exams to be conducted for the upcoming five (5) days, so your module will only be listed if it falls within the five (5) days.

You will need to use your browser and not the Unisa myModules app to access the myExams portal.

Steps to access the myExams portal:

1. Open myUnisa at <https://www.unisa.ac.za>
2. On the myUnisa page, click on the **myExams** button in the bottom right **Important links** box as per the image below.

The screenshot displays the myUnisa website interface. At the top left is the myUNISA logo with the text 'university of south africa'. To the right are input fields for 'User Name:' and 'Password:', followed by a 'Login' button. Below these are links for 'Claim UNISA Login', 'Forgotten Student Number', and 'Forgotten UNISA Password'. A navigation bar contains links for 'Registration', 'Student Support & Regions', 'Assignments & Examinations', 'Student Affairs & SRC', 'News & Events', 'Library', and 'Enquiries'. The main content area features a 'Unisa Ethics Hotline' banner with the number 0800 005 311 and a 'THE IMPACT RANKINGS 2022 TOP 600' banner. Below these are buttons for 'myLife email' and 'Unisa Radio'. A 'Notices' section lists several updates, including postponed graduation ceremonies. An 'Events' section highlights two events: 'The Directorate: Counselling and Career Development is inviting you to register for the Virtual Grad Expo that will take place online on 11 and 12 May 11 - 12 May 2022' and 'AGSA Graduate Programme Presentation 20 April 2022'. On the right, an 'Important links' section lists various services, with 'myExams' highlighted by a red box and a red arrow pointing to it. Other links include Exam Results, Payment methods and banking details, Books, Student policies and rules, Graduation, Jobs and scholarships, and Bursaries and loans.

3. On the myExams portal click on the **date** your assessment is scheduled as per your exam timetable (see the image below). This will reveal the links to the modules scheduled for the date selected.

4. You can now click on your **module** and this will open the modules assessment page on your college's portal as per the image below.

5. Clicking on your module will open your college's exam portal login page. Click on the button named "**Unisa Staff / Marker email address or Student myLife email address**"

6. Type in your **myLife** email address and then click on the **Next** button as per the image below.

7. Type in your **myUnisa / myLife password** and then click on the "**Sign in**" button.

8. If this is on your personal device, you can click on the **"Yes"** button, else click on the **"No"** button.

9. You will then be directed to the **Dashboard** of your college's exam portal.

10. Click on the **myExams** button in the header and select the **module** for which you need to complete the exam.

11. On the modules exam page select the MCQ (Quiz) or Take Home (Assignment) assessment.

Welcome Message

Welcome to the myUnisa Learning Management System.

This website is dedicated to supporting your learning for this module. If you make a regular habit of visiting your Module site, you can take full advantage of these features:

1. Go to Official Study Material and you should find files such as tutorial letters and study guides, if available. For fully online modules, please visit Learning Units for study materials. Any other documents provided by your lecturer will be available in the Additional Resources tool.
2. The discussions tools will allow you to talk with your fellow students about this course. The lecturers may include other Topics and Forums for you.
3. Go to the Schedule to view your official assignment and examination dates.

Other things you might find in your module webpage:

Your lecturer may use the Announcements tool to inform you about special meetings, local conferences, or important course-related issues. When they put an Announcement, you may also receive an email reminding you to check the website.

We hope that you will take full advantage of these additional features to make your studies more exciting and successful.
