BASIC SKILLS IN ONLINE EXAMS (MYEXAMS)

A SERIES OF STUDENT WEBINAR TRAINING:
The Academic Development Open Virtual Hub (ADOVH) in Collaboration with the Regions
MAY/JUNE 2022

To assist students with the required skills to participate in the upcoming examinations, we will be hosting a series of student webinars that will focus on the following:

- How do you navigate an online assessment platform (myExams)?
- What are the different online assessments you can expect?
- What is a proctoring app, and how will it be used in the examination?
- What is academic integrity in an online examination?
- What provisions are made for students with special needs in an online assessment?
- What are some of the Frequently Asked Questions (FAQs) and current challenges among students?

Student training will start on 06 May 2022 (Friday) and end 31 May 2022 (Tuesday).
