## invitation

## 2025 STUDENT MENTOR CO-CURRICULA PROGRAMME- EAST LONDON & MTHATHA

Counselling and Career Development invites final year students and those registered for a postgraduate qualifications to volunteer for the 2025 Student Mentor Programme.

The Student Mentor Programme is an initiative designed to empower senior students to become Champions of Graduateness and Success at Unisa. The student mentor volunteers will receive comprehensive training and mentorship from Counselling and Career Development (DCCD) staff and will be equipped to support their peers with career management, adjustment and study skills for success. By participating in this exciting programme, you will have the opportunity to develop invaluable workplace skills, including:

- Personal growth
- o Career management
- Advanced learning strategies

## The programme includes:

- Basic and advanced training sessions
- Group and individual supervision
- o Online study / learning skills and career management activities
- Reflective exercises to track your development
- o Guidance on building a professional career portfolio
