Due to Covid-19, the clinic was closed during 2020, however, we have re-opened the clinic and welcome face-to-face appointments. The following Covid-19 protocols are in place:

- Screening at the main entrance before entering campus.
- Clinics have foot pedal hand sanitizers for clients, students and staff.
- Clinics have a no touch thermometer to screen temperature.
- Social distancing protocols are in place.
- Students, staff and clients are always to wear face masks.
