Interaction and Discussion sessions:

Join us for this opportunity to interact with the programme leaders – Prof T Mgutshini and Prof E Greeff.

In these sessions, you will be allowed to ask any questions about your studies and feedback on the programme itself.

Here is how it will work:

- On the right are the links to sign up sheets, for the eight sessions that we have set aside for interactions and discussions. You should sign up to **one** of these (you cannot sign up to more than one). You can choose whichever one aligns best to your own schedule. If one session is already full, please select another timeslot.
- Once you have completed the signup sheet. Very important: Please copy and save the link that is generated. You will need to access the discussion session through this link. Once the time comes for the meeting, simply click on the link (from where you saved it) to access. If you lose the link, you will not be able to attend your session.
- Because we want to hear from all of you, we have limited the amount of people able to sign up to each session. If your preferred session is full, please select another. We work on a first-come-first-served basis, so sign up early to your preferred timeslot to avoid disappointment.
